## » Work Experience

### **Contract Web & Multimedia,** 2/14 – Present **Stephanoff Media**

Washington, DC

Worked with various institutions, organizations and non-profits providing website design and management, photojournalistic coverage of events and multimedia shooting, editing and production.

Currently on retainer with a microfinance risk-management initiative as a part-time web administrator, and working on a website redesign for a non-profit that works in several communities in Liberia.

### **Fields Collection Research Assistant,** 2/13 – 7/14 **McDougall Center for Photojournalism Studies**

109 Lee Hills Hall, Columbia, MO 65211-1200

Worked with nearly 15,000 digitized slides and curated an exhibit incorporating multimedia videos, images, writings and cultural artifacts from many islands in Oceania.

Designed an interactive e-book showcasing the Fieldses' work from all around the world. The book incorporates over 500 images, articles, multimedia videos and interactive maps. It is entitled "South Pacific and Other Travels" now available at Apple's iBooks Store.

Supervisor: David Rees

Phone: 573-882-3635

### **Museum Photographer & Curator,** 6/11 – 12/13 **University of Missouri Museum of Anthropology**

2002 Mizzou North, 115 Business Loop 70 W, Columbia, MO 65203

Photographed and handled collection artifacts on a daily basis, produce visual content for the Museum's website and social media, and created a high resolution database of images for print or publication using Photoshop, Illustrator, Lightroom and InDesign. Work used on History Channel's American Pickers, published in many books and articles.

Heavily involved in artifact identification, documentation, research, preservation, and exhibition using FileMaker Pro.

Supervisor: Candace Sall

Phone: 573-882-3764

### **Graduate Lab Instructor,** 9/11 – 5/12 **University of Missouri School of Journalism**

106 Lee Hills Hall Columbia, MO 65211-1200

Taught the lab and assisted in Electronic Photojournalism class focused on teaching photo students website development and multimedia techniques. The class covered photo, video and audio skills for creating projects in Final Cut Pro, Audition and Photoshop as well as HTML/CSS, Flash and interactive platforms for presenting those projects on web and social media.

Supervisor: Dr. Keith Greenwood

Phone: 573-882-4867

### **Staff Photographer & Multimedia Editor,** 1/10 – 5/11 **Columbia Missourian Newspaper**

221 S. Eighth St., Columbia, MO 65201

As a staff photographer responsibilities included covering breaking news, sports, features, video assignments, creating picture stories, and providing the newspaper with visual coverage for web and print.

As the multimedia editor, oversaw convergence students daily assignments, coordinated their story coverage, and worked with them in editing their video and multimedia projects in Avid.

Supervisor: Jackie Bell

Phone: 573-882-5737

### **Coordinator of Media Services,** 6/06 – 9/09 **Ozark's Technical Community College (OTC)**

1001 E Chestnut Expy Springfield, MO 65802

Team leader of OTC's Media Support, controlled an equipment budget and inventory, managed a team of five technicians supporting media equipment across five campuses in SW Missouri and worked with a wide variety of software, audio and video technologies.

Developed and maintained the Media Services portion of OTC's website. Worked with the video production team in shooting and editing video projects and directed live broadcasts of school events.

Supervisor: Justin Pedigo

HR Phone: 417-447-2632
